Experience

Reuters News Agency - Washington D.C. (remote)

News Apprentice, March - August 2017

Reported for an investigative series about Tasers with the national desk. Helped populate our database with original reporting and cowrote a story. Streamlined my reporting with Python. Conducted interviews, gathered primary documents and researched using media/legal databases.

Daily Monitor - Kampala, Uganda

HIV Reporting Intern, May - June 2016

Reported on HIV medication shortages and patient records for East Africa's largest independent newspaper. Wrote a story for an Ugandan audience and another for an American. Made photos and developed a website for the story. Studied at African Centre for Media Excellence.

Indiana Daily Student - Bloomington, IN

Digital Redesign Manager, February - April 2017

Worked with editorial, advertising and a contracted CMS provider to redesign the website. Focused on improving mobile user experience and increasing ad revenue. Tested and revised mockups based on user feedback.

Investigations Reporter, January - December 2016

Analyzed and visualized data. Created maps, charts, and custom websites. Stories on campaign finance, campus crime and health care.

Digital Director, August - December 2015

Managed editors producing interactive and social content. Created multiple responsive websites and data visualizations. Developed well documented software. Managed homepage during breaking news.

Digital Editor, January - May 2015

Produced interactive graphics, websites and videos. Introduced analytics into editorial meetings. Developed a digital style guide.

Photographer, Jan 2014 - Dec 2016

Made photo essays, breaking news, and illustrations. Designed websites for optimal photo layouts. Covered beats. Toned and selected own photos.

Society for News Design - Bloomington, IN

Designer, June 2015 - June 2017

Designed pages for the 36th-38th "Best of News Design Book". Wrote software to improve efficiency on the 38th book.

President and Treasurer, October 2016 - May 2017

Managed the club and organized designers for the SND38 Book. Responsible for managing a \$10 thousand budget.

Facilitator, January 2016 - January 2017

Facilitated the SND37 and 38 contests by helping select individual pages to appear in the book from the winning entries.
